GEORGE H. CURRY,
PRESIDENT
MICHIGAN BOWLING ASSOCIATION

Grand Rapids, Mich., April 30, 1915.

The Twelfth Annual Tournament of the Michigan Bowling Association, held in Chinnick's Alleys, Grand Rapids, April 17th to 26th, 1915, was the most successful tournament ever held by this Association.

The entire affair was conducted in a thorough business-like manner and every officer, both appointive and elective worked hard and continuously to see that the entrants were properly treated. The visitors remarked many times that the bowling was conducted in a sportsmanlike way, and the bowlers themselves expressed delight at the treatment accorded by the officials in charge.

Too much praise cannot be given to Mr. W. C. Chinnick, owner of the alleys, for his splendid efforts to make things pleasant and the thanks of the entire membership are due the Secretary, Mr. John Blickle, in acknowledgment of his efforts to please the bowlers through convenient arrangement of the schedule and otherwise.

Mr. Lon W. Steketee placed his Cadillac Eight at the disposal of the visiting bowlers and deserves the commendation of all for his efforts to make the visitors' stay enjoyable.

The alleys were in perfect condition and not a single complaint was registered. Mr. Anthony Erhardt as Floor Manager, and Mr. Hugh F. Gannon as Umpire, deserve great credit for their conduct during the tournament,

and the work of Mr. G. R. Birchard is shown by the rapid computation of the scores and the full complement of scorers at all times.

The Grand Rapids Bowling Association worked hard for the success of the tournament and its president, Mr. J. F. Gruver, assisted by Messrs. L. W. Steketee and Mr. Gustav Noman, rendered excellent service as inspectors. Their decisions were eminently fair and equitable to all and not a complaint was made on account of their decisions.

It is believed that the interest aroused during this Tournament in the Michigan Association will result in many additions to its membership.

In conclusion, the following report may possibly contain one or two errors, but the confidence reposed in your officers by their election has not been abused and we have tried to conduct the affairs of the organization thus far with the spirit of good fellowship that will make for a larger and better organization.

I take the liberty of herewith thanking each and every official and employe connected with the Tournament and assure the bowlers of Michigan that any suggestions for the good of the Michigan Bowling Association will at all times be thankfully received.

Sincerely yours,

GEORGE H. CURRY,
President.
